**teenzone@mcpl.us 715-261-7283**

The Teen Committee at the Marathon County Public Library, Wausau Headquarters, is seeking enthusiastic, motivated teens to form a Teen Advisory Group (TAG). This group will advise and assist Teen Staff Advisors with Library programs, write reviews for peers, create book displays in the TeenZone, assist in development of book lists, represent the Library to peers and school and in the community, and assist with other projects/activities. We are asking our teen applicants to provide one letter of recommendation as a part of their application. Please tell us why you feel the applicant would make a positive contribution and would benefit from being a part of such an organization.

Once formed, the TAG will assist in making decisions directly affecting teen materials and services at the Library and they will be involved in the long-term planning process necessary to meet the growing needs of youth in our community. It is our hope that the process will be fun and exciting and will bring together many different viewpoints. Please send this letter of recommendation to:
